

### **Isaiah 62:8 – 63:7**

This haftarah passage touches on the strife and opposition that Jacob received from Abimelech. Other enemies, Egypt and Esau, are also mentioned in the Genesis chapter.

The passage from Isaiah talks about God's ultimate victory over Edom and Israel's triumph.

It ends on an upbeat note - God's lovingkindness and mercies and "the great goodness toward the house of Israel which he hath bestowed on them." (**Isaiah 63:7**)
